How to find our offices

Salisbury House

Salisbury House can be found on London Wall near the junction with Moorgate. It is a large building and is located over various commercial premises, including Prêt a Manger and Pizza Express.

The main entrance can be found next to Boots Opticians.

On entering the building from the London Wall entrance please take the first lift on the left hand side to the 5th floor, where our seminar suite is situated.

Getting here

London Wall can be found in the heart of the city, close to Moorgate station (Northern, Circle, Metropolitan, Hammersmith & City underground lines, plus WAGN railways) and Liverpool Street station (Central, Hammersmith & City, Circle and Metropolitan underground lines plus British Rail).
Travelling by car

While we would suggest that the best way to travel to our office is by public transport, there is limited metered parking on Finsbury Circus. The cost is currently £1 per 15 minutes.

The closest NCP car park is located at Finsbury Square, Islington, London EC2A 1AD (approximately five minutes walk from the office). Charges start from £12 for up to 2 hours.

The office is within the congestion charging zone and the fee is currently £10 per day.
